Clay County and Heartland Industries to Offer Holiday Light Recycling

Do not know what to do with those old or non-working holiday lights? Making the switch to energy efficient LED holiday lights? Recycle your old lights with our unique holiday light recycling program! "Recycle Your Holidays" is one-of-a-kind statewide holiday light recycling program in Minnesota. Clay County is partnering with Heartland Industries to bring "Recycle Your Holidays" to Clay County. Clay County residents can drop-off their unwanted light strands at the recycling centers in Glyndon, Barnesville, Hawley, and Hitterdal. The collection bins will be available through December. If you have questions about the program please call or email Shannon Thompson, Clay County Environmental Programs, at 218-299-7329 or Shannon.thompson@co.clay.mn.us
