**RANDALL'S**  
Excavating Inc.  
701-219-9126

Randall's Excavating is a family-owned company that has proudly served Glyndon and the surrounding communities since April 2006. They have extensive experience with all underground sewer and water excavation needs, from emergency repairs to new installations. Randall's also provides demolition, grading, boring, and more.

Visit their website at [www.randallsinc.com](http://www.randallsinc.com) or call Randall at 701-219-9126 or Mark at 320-333-0744 for a free estimate on any project, big or small.
