Reminder of Snow Removal Ordinance #155

With winter right around the corner, this is a reminder to all residents to comply with City snow removal requirements.

Per Ordinance #155, you may not move, blow, or plow snow off your property onto City streets or City rights-of-way.

Let's all do our part to keep the streets clear. Thank you!

Santa is Coming to Glyndon!

The Glyndon Fire Department will be escorting Santa Claus through town on Sunday, December 14th from 1-2 p.m., and afterward Santa will be at the Fire Hall from 2-4 p.m. to meet families and spread holiday cheer.

As winter approaches, we want to remind residents that designated areas in town have parking restrictions from November through April. These rules help keep streets clear for snow removal and ensure safe travel for everyone.

A Community Garden Blooms at Anstadt Park

Anstadt Park in Glyndon is getting a fresh burst of life with a new community garden project led by a local Boy Scout, Jaden Argall, who is working towards his Eagle Scout badge. The garden honors the legacy of Duane "Bud" Anstadt, a longtime resident and public servant who dedicated years to improving Glyndon's parks and community spaces. The garden will include 40 plots for vegetables, herbs, and flowers, plus 4 raised beds designed for accessibility.

Registration for plots will open this spring—details will be shared on the City of Glyndon's website and social media.

More than just a garden, it's a symbol of community, leadership, and growth—honoring the past while inspiring the future.
