Hydrant Flushing

The City Maintenance Crew will be flushing hydrants the week of **October 5th – 9th**.

Residents should be aware you may experience some rust discoloration. To clear your lines,

run an outside faucet and **DO NOT** wash white clothing until all discoloration is gone. Thank you.

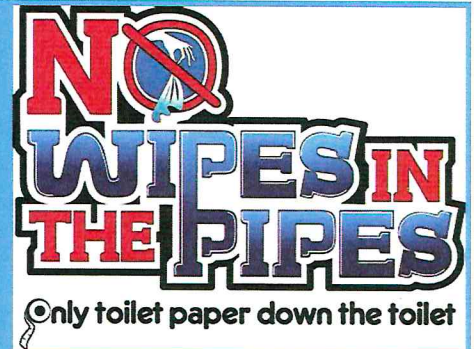

THE CITY OF GLYNDON WOULD LIKE TO REMIND ALL RESIDENTS: DO NOT FLUSH WIPES DOWN THE TOILET EVEN IF THE PACKAGING SAYS "FLUSHABLE"

Wipes (including baby wipes, cleaning wipes, and personal hygiene wipes) do not break down like toilet paper. When flushed, they can clog pipes, damage pumps, and create costly blockages in our sewer system. These clogs can lead to sewer backups in homes and neighborhoods, and can be expensive repairs for the city.

What can you do:

- Dispose of all wipes in the trash/Only flush toilet paper and human waste/Share this reminder with family and neighbors

PLEASE DO NOT FLUSH WIPES! HELP PROTECT OUR SEWER SYSTEM! THANK YOU !

Happy Columbus Day & Indigenous People's Day
