

# City of Glyndon

Minnesota

City Council:

Mayor Tracy Tollefson  
Justin Schreiber  
Bryant DeVries  
Patrick McCoy  
Steven Ring

## Glyndon City Council Packet November 21st, 2023, at 6:00 p.m. City Hall Council Chambers

Agenda for Glyndon City Council  
11/21/2023 – 6:00 p.m. - **TUESDAY**  
Regular Council Meeting  
City Hall Council Chambers

1. **Call to Order:** Mayor Tracy Tollefson
2. **Roll Call**
3. **Motion to Approve Consent Agenda**
  - a. **11/8/2023 – Council Meeting Minutes**
  - b. **Approve Resolution of Payments**
    - **Approve Donation Check for \$1,000 for Safety Equipment from UC Hope for the Glyndon Fire Department**
    - **Approve Hiring Kayla Nosal for the Administrative Assistant Position Contingent on Passing the Background Check (*starting December 11, 2023*)**
    - **Approve Paying Builders' FirstSource \$21,101.26 for the Materials for the Recycling Center's Lien-2 on the Maintenance Building (*use garbage funds*)**
4. **Any Additions to the Agenda (*urgent items only please*)**
5. **Motion to Approve Agenda**
6. **Mayor/Department Reports**
  - a. **Justin Vogel, Police Chief**
    - **Body Cameras**
  - b. **Travis Braton, Public Works Supervisor**
  - c. **Bob Cuchna, Fire Chief**
  - d. **Wendy Affield, City Clerk**
    - **City Hall Closed Thursday & Friday, November 23<sup>rd</sup> & 24<sup>th</sup>**
  - e. **Tracy Tollefson, Mayor**
7. **Committee Reports**
8. **New Business**
  - a. **Approve Resolution 2023-9 A Resolution Pursuit of 2019 Local Road Improvement Program Funding from MnDOT for the Construction of Approximately 1,650 Lineal Feet of 7<sup>th</sup> St SW (*need a motion*) Clay County Resolution 2023-29 A Resolution of Support from Sponsoring Agency Attached**
  - b. **Red River Home & Garden Show February 23-25 at the Fargo Dome – Late Fee Registration is December 1<sup>st</sup> (*decide if you want to do this-motion if you do*)**
  - c. **Liberty Business/Great American Leasing - Copy Machine Lease & Service Agreement Renewal**
    - **Approve Police Departments Purchase of a Printer/Copier/Scanner for the Patrol Room, and a Printer for the Chief's Office for \$1,989.95**
    - **Approve Purchase of a Printer for Administrative Assistant's Desk for \$975.97**
    - **Approve the Monthly Lease Agreement for a Copy Machine at City Hall & Service Investment for all other Copy Machines/Printers for \$526.84 a month for 63 Months (*we now pay \$630.00*)**

**9. Old Business / Unfinished Business Update**

**10. Time to Discuss the Additions to the Agenda** *(only discuss if added and approved in #4 above)*

**11. Open Forum – Public Comments/Concerns** - *\*this is the time for the General Public to address the Council regarding a City Business item that is not on the agenda. Typically, decisions will not be made at this meeting but will be referred to staff for further research. The Open Forum shall not be used to make political statements, political endorsements or for any political campaign purposes.*

**12. Miscellaneous Announcements & Recognitions**

**13. Adjournment**

*Budget Meeting is Scheduled for December 13<sup>th</sup>, 2023, at 5:00 p.m.*  
*Truth-in-Taxation Hearing is Scheduled for December 13<sup>th</sup>, 2023, at 6:00 p.m.*  
*The Next Council Meeting is Scheduled for December 13<sup>th</sup>, 2023, at 6:30 p.m.*

**Glyndon City Council  
11/8/2023 – 7:00 A.M.  
Regular Council Meeting  
Council Chambers**

**1. Call to Order:** Mayor Tracy Tollefson called the meeting to order at 7:00 a.m.

**2. Roll Call:** Council Members Present: Bryant DeVries, Justin Schreiber, Patrick McCoy, Steven Ring; Police Chief Justin Vogel; Public Works Superintendent Travis Braton; City Clerk/Treasurer Wendy Affield and City Engineer Kris Carlson.

**As Per Sign in Sheet:** Senator Rob Kupec

**Virtual Attendees:** Zoom not working

**Absent:**

**3. Motion to Approve Consent Agenda** – A motion to approve the consent agenda was made by Patrick McCoy, seconded by Steven Ring. All in favor.  
Motion Carried.

**a. 10/25/2023 – Council Meeting Minutes**

**b. Approve Resolution of Payments**

- **Approve Donation Check for \$1,000 from Bell Bank for the Glyndon Police Departments Shop with a Cop Program**
- **Approve Hiring Blake Tobey for the Maintenance Worker Position Starting November 13, 2023**
- **Approve Payment to Bayer/Monsanto for the 2023 TIF amount of \$60,339.24**
- **Approve Change Order #1 with R.L. Larson Excavating – Extending the completion time for the Charleswood project from September 29, 2023, to November 30, 2023**

**4. Any Additions to the Agenda** – None.

**5. Motion to Approve the Agenda** – A motion to approve the agenda was made by Justin Schreiber, seconded by Bryant DeVries. All in favor.  
Motion Carried.

**6. Mayor/Department Reports -**

**a. Justin Vogel, Police Chief** – Chief Vogel informed Council the Halloween Trunk & Treat Party was a huge success with around 350 people participating throughout the night. With the donation check from above normally the Shop with a Cop Christmas Program helps 5-7 kids but this year it will be able to help 20-25 kids from Glyndon. Chief Vogel is getting a quote from Axon for body cameras, he will present it at the next Council Meeting.

**b. Travis Braton, Public Works/Maintenance** – Braton stated they have been cleaning up the shop and the loader is in for its five-hundred-hour maintenance.

**c. Bob Cuchna, Fire Chief** – Not present.

**d. Wendy Affield, City Clerk** – Affield informed Council we interviewed four (4) qualified candidates, and we will be having a second interview with two of them in a more comfortable atmosphere to explain more of the job in detail and see who feels like the right fit.

**e. Tracy Tollefson, Mayor** – Mayor Tollefson let Council know Justin Schreiber, Chief Vogel and herself met with Mayor Chad Olson, Vice-Mayor Juile Nash, Payton Mastre City Administrator, and Interim Chief Hunter Rawson all of Dilworth the other day to again discuss the possibility of merging Police Departments. The City of Dilworth did hire a consultant to find applicants for their Police Chief position a few weeks ago at their Council Meeting. Mayor Tollefson needs to return a call from Julie Nash, who when they walked away from a prior meeting it was Nash's understanding their Council even though they hired a consultant felt they were more supportive of an internal hiring, meaning you would have the City of Dilworth and the City of Glyndon's employees applying. Mayor Tollefson is wondering if they are going to open it up to just their city employees or are they just going to go full bore with hiring nationwide. Mayor Tollefson and Justin Schreiber have not had a chance to visit after that meeting and she has not returned Julie Nash's phone call because she would like to hear what the Council is thinking. Mayor Tollefson's reservation is if we do an internal search between the two cities, expressing how happy we are with where our leadership is in the City of Glyndon, we have great staffing and we do not know what tomorrow may bring but she thinks Chief Vogel did a great presentation on the pros and cons and in her mind listening to both Vogel and Rawson that day they have a good idea of what the vision could be. From Mayor Tollefson's standpoint in their roll we look to our leaders to kind of give us input and advise on what they see for day to day operations, we are elected to approve budget, adopt ordinances and provide leadership for the City and if department heads go rouge, then we step in but we really want to empower our leaders to do their jobs and at the meeting she personal looked at Hunter and Justin to say "what do you see". Mayor Tollefson understands Councils may have different styles as to how things are done but she is happy with what we have with our Police Department. Mayor Tollefson would like to hear from the other Council Members but wants everyone to know she feels it would be very difficult to expect Chief Vogel who has done a fabulous job leading our City in public safety and has a great staff to say lets consolidate and then you and Hunter apply to see who will be the Chief. Mayor Tollefson does not feel we are in a position that we have to consolidate, she believes we entertained the conversation because of the shortage at the time in Dilworth and it just expanded. Mayor Tollefson asked Schreiber if there was anything else he could provide concerning the meetings they have had with Dilworth. Schreiber stated, they have a process their Council approved, and it sounds like that is where they are headed at this time. Schreiber appreciates Chief Vogels leadership and the direction he is taking his officers and wants to make sure Chief Vogel is not feeling there might not be a position if we moved forward with the merger. Schreiber feels if Dilworth wants to keep moving forward with their decision to search for a Chief, he is not interested in moving forward with the merger. McCoy thinks the City should pursue it carefully and cautiously for the reasons that were mentioned, we need to be cognizant that there is no room for advancement in our department. McCoy thinks we should pursue it in the self interest of the department but with the caveat that we all know we want Chief Vogel leading it. Mayor Tollefson asked McCoy, if the City of Dilworth wants to keep following the path they are going what is his recommendation. McCoy stated, walk away. Mayor Tollefson believes from Chief Vogels concept that was laid out for everyone they would not be adding tons of positions, they probably would have the same model they have now, a Chief, an investigator, a CSO, and a Sergeant. Mayor Tollefson stated we are willing to have more conversation, the hard part where they might run into a roadblock is with the Chief's position. Ring votes no to combining at this time, he is very happy with the Police Department we have. DeVries is comfortable with what we have also. Chief Vogel explained there are benefits to, but it puts him in a weird position professionally and personally, but you need to look at the citizens from both cities, you need to look at the big picture. He discussed how Mayor Olson wanted him to apply for Dilworth's Chief position, Chief Vogel stated he will not be doing that, Glyndon hired him after spending fifteen (15) great years in Moorhead and he is not apply for his job again. Chief Vogel did a lot of

homework on this merger with other towns that have done this and not one Chief had to reapply for their position, they had it all figured out prior to the merger. Does he think the merger is positive and has a possible great potential? Yes, he does because as we know there are not enough kids going to school for law enforcement anymore. He explained how the small cities used to be a steppingstone before they moved to a big city but now there are so many sign-on bonuses, topping out at over one hundred thousand dollars in three years, wondering how these little cities can compete with that. We take pride in our department; we have great support from the community, but we need help from the government to survive. Mayor Tollefson will touch base with Julie Nash and keep everyone posted.

**f. Kris Carlson, City Engineer** – Carlson informed Council he will have updated budget numbers for them at the next meeting for the Charleswood project, which are looking good at this time. All utilities are in and were completed in less time than they thought so the engineering numbers should be lower on this project. He expects six weeks after spring starts the roads should be paved and open for business. He will be meeting with his inspector in Charleswood this morning to make sure everything has been winterized.

Carlson discussed the local road improvement program through MnDOT and informed Council if they are interested in applying for a grant, they would first have to get the County to sponsor the City. He is visiting with Clay County Engineer Justin Sorum, and they were wondering what street the City would want to try and get funding for. The three areas would be the road in Stockwood, 12<sup>th</sup> Street SE or 7<sup>th</sup> Street to County 17. Carlson will put together the information needed and if they go with 7<sup>th</sup> Street it is more than likely a traffic study would need to be done by Metro Cog. Ring feels 7<sup>th</sup> Street would be the priority right now. Council agreed to move forward with submitting the paperwork for 7<sup>th</sup> Street to County 17. Carlson explained the City needs to start chipping away at some street projects and 12<sup>th</sup> Street already has the base there so it would not be as expensive as a street that needs to be fully reconstructed. Braton asked what the price of Stockwood would be. Carlson figures it would be around 1.5 million with the way prices have been. Carlson stated how tricky that one is because you cannot assess the properties to the east because they are not within city limits. Braton is concerned about how the large trucks are damaging Andrews Avenue and the City owns four (4) lots we cannot sell until utilities and a road are put in. Carlson feels we need to look at a truck route in town, leaning towards building up 2<sup>nd</sup> Street so the trucks can get to a controlled intersection with the stop light. Mayor Tollefson feels finishing 7<sup>th</sup> Street would bring more house tops and commercial businesses to town. Schrieber and McCoy would like to see 7<sup>th</sup> go through. Ring asked if Stockwood could be graveled. Carlson explained the water and sewer would need to be installed also. Carlson stated, losing the full access in Stockwood was hard but there is nothing we can do to change MnDOT's mind. Chief Vogel would like to make sure Stockwood is part of the 10-year Improvement Plan. If any streets on the north side of the tracks are rebuilt, we would probably install curbs and gutters and get rid of the ditches which would mean a retention pond would need to be built.

Carlson asked if when they are paving Charleswood does Council want them to pave the parking lot at Johnson Park? Council would like that done if possible.

**7. Committee Reports** – None at this time.

**8. New Business** –

**a. Discussion with Senator Rob Kupec** – Kupec thanked Council for letting him come and visit, explaining he is here to answer any questions with past legislative sessions, things we want to look at in the upcoming year even though it is not a budget year, it is a policy year. Kupec stated there will be a bonding bill of some sort, they stashed away some funds last year but since there has not been one for a few years a lot of cities are looking for funds to help pay for necessary projects. Kupec explained how it

is hard for small towns to keep up with the expenses of having a water system so they will be looked at when it comes to a bonding bill. Kupec feels if you can get the funding for 7<sup>th</sup> Street that would be a good option for the City because these grant opportunities like to see the towns help with paying for the project, it is an easier sell for the bonding committee. Kupec agreed with Chief Vogels take on how hard it is to find officers, explaining his wife works for the Department of Criminal Justice with MSUM and they only had either 13 or 15 students on the criminal justice side which used to be around 40 and most of the students wanted to go into law enforcement and this year there was only 2 that wanted to become an officer. Kupec feels there are functions in our society that are crucial like fire, ambulance, police, and teachers and we need people going into these professions or we will be in trouble. Kupec informed Council one thing that was changed last year was the transportation bill where cities under 5000 will get dedicated funds every year similar to LGA but these will be specific for roads. One question he has been tasked with was to see what the City will be doing with the Public Safety funds that will be coming soon. Chief Vogel is hoping to spend a portion on body cameras for the Police Department. Chief Vogel is very appreciative of the \$58,000 the City will be getting but would like to see the funds figured out differently since the funds are calculated by population, we do not get as much as the larger cities. Affield asked if this is a one-time payment. Kupec stated it is. Kupec knows it is easier to run a city if you know what funds are coming from the state, you can plan better. Braton asked if they are putting funds away for smaller cities to help with upgrading a water treatment plant. Kupec stated, they are not putting anything away at the moment, they are just proposing it for bonding. Carlson informed everyone Public Facility Authority (PFA) is a place that does help with these types of projects. Chief Vogel asked if there is any new information concerning the School's Resource Officers. Kupec believes they will be looking into this more during the upcoming session. When the program is done correctly, we know how crucial it is to have that relationship between Police Officers and students. Senator Kupec will give a letter of support for 7<sup>th</sup> Street if the City would like.

**b. Review 2024 Utility Rate Adjustments** (*need a motion*) – Affield stated when the Auditors were here they made a remark about trying to increase our water fund a little so after visiting with Braton we came up with a three dollar (+\$3.00) increase to the monthly water charge, you will see the seven dollars (+\$7.00) curbside recycling charge which in turn decreases the garbage charge by two dollars (-\$2.00), forestry is increasing by sixty cents (+\$.60) and mosquito is decreasing by ninety cents (-\$.90). The total increase on the 2024 Utility Rate sheet will be seven dollars and fifty cents (+\$7.50). Affield mentioned we have not had an increase for over four (4) years. Mayor Tollefson asked what the rate per one thousand (1,000) gallons will be. Affield stated it will stay at five dollars (\$5.00) and it has been that amount since before she came in 2014. Carlson stated the typical amount a household uses per month is four thousand (4,000) gallons. A motion was made by Steven Ring to approve the 2024 Utility Rates sheet, seconded by Patrick McCoy. All in Favor.  
Motion Carried.

**c. Community Center Rules & Regulations Update on Alcohol Security** (*need a motion*) – Affield pointed out the few changes to the Community Center's rules and regulations are in red and questioned if "Applications will not be accepted more than one year in advance of the event" needs to be in there. After further discussion it was decided to keep it in. Affield went on with the next change under number three (3.) which was that the full event deposit needs to be paid to hold the date and we only have two (2) categories, not three (3) anymore. A number five (5.) has been added to explain the refundable cleaning deposit and Chief Vogel suggested increasing the deposit for non-residents of Glyndon. Council agreed to have non-Glyndon residents pay two-hundred dollars (\$200) instead of one-hundred dollars (\$100). A few different spots concerning alcohol were changed and "bring your own bottle functions are prohibited" was removed and a two (2) week notice is required for any event that will have alcohol so the City can line up a security guard with a minimum requirement of four (4) hours. Affield informed Council she does let people know if they do have alcohol and a security guard has not been paid for the

Glyndon Police Department has the right to shut the event down and the cleaning charge will not be refunded. Mayor Tollefson asked if the hourly rate needs to be included for the security guard. Affield stated, it is on the application form. Chief Vogel explained his officers do not do the security anymore, we hire ASP Security. Justin Schreiber made a motion to approve the changes to the Community Center Rules and Regulations, seconded by Bryant DeVries. All in Favor.  
Motion Carried.

**d. Discussion Regarding Having a Time Limit During the Open Forum Section** – Patrick McCoy would like to make sure there is a time limit on the open forum discussion but feels it is very helpful during a public meeting to get all the information needed from the residents. He is wondering if other towns have time limits. Carlson informed Council other Council Meetings he attends have a three to five (3-5) minute limit, but you do not want to change anything with Public Hearings. Mayor Tollefson is fine with having a time limit. DeVries asked questions to the gentleman at the last meeting wondering what his solution was for the issue he was discussing knowing this was not the first time he brought this up at a meeting.

**e. Discussion Regarding Attendance of the New Administrative Assistant During City Council Meetings** – Patrick McCoy mentioned this was brought up during the Administrative Assistant interview process and he is wondering if this is something that can be changed so when the new person comes on they would be allowed to come to the meetings to hear first hand what is happening or changing in the City since they will not know who's voice is who's and they would understand better what they are typing when doing the minutes. Affield mentioned she attended all the meetings when she was the Deputy Clerk and it was very helpful when doing the minutes and answering the phones, she could explain more things to the people who called with questions. Council is fine with what Affield suggests.

**f. 2024 Health Insurance Increase from \$765.44 to \$813.66 / Health Savings Increase from \$3,000 to \$3,200 / Dental Insurance Increase from \$29.10 to \$30.26 (informational only)** – Affield stated the adjustment will be in the budget at the next meeting.

**g. October Expense & Revenue Budget Sheets for Review (informational only)** – Affield stated after November it will be easier to get closer numbers for the 2024 budget. Schreiber asked if we would be having another budget meeting before we set the levy percentage at the end of December. Affield recommended having it at the next meeting. Schreiber stated he will not be here in person; he will be on zoom. Affield then suggested having it on December 13<sup>th</sup> prior to the Truth in Taxation Hearing. A motion was made by Steven Ring to schedule a Budget Meeting at 5:00 pm on Wednesday, December 13, 2023, seconded by Patrick McCoy. All in Favor.  
Motion Carried.

**9. Old Business/Unfinished Business Update** – Nothing at this time.

**10. Time to Discuss Additions to the Agenda** – Nothing at this time.

**11. Open Forum – Public Comments/Concerns**

**12. Miscellaneous Announcements & Recognitions** – DeVries suggested having an advertising campaign now that we have two (2) residential housing additions. Maybe do a radio ad, be at the Home Show at the dome or even do a commercial. Affield was asked to check when the Home Show is at the dome. Mayor Tollefson mentioned the school did a commercial for a very reasonable price that you can watch on their website. Carlson mentioned that maybe Ulteig Engineering might be able to do some drone pictures in the spring or summer when the grass is green.

**13. Adjournment** – A motion was made by Steven Ring to adjourn at 8:07 a.m., seconded by Justin Schreiber. All in favor.  
Motion Carried.

---

Tracy Tollefson, Mayor

**CITY OF GLYNDON, MINNESOTA  
COUNTY OF CLAY**

**RESOLUTION NO. 2023-9**

**PURSUIT OF 2023 LOCAL ROAD IMPROVEMENT PROGRAM FUNDING FROM  
MnDOT FOR THE CONSTRUCTION OF APPROXIMATELY  
1,650 LINEAL FEET OF 7<sup>th</sup> St SW**

**WHEREAS**, 7<sup>th</sup> St SW is a road of regional significance with respect to economic growth and farm to market operations; and

**WHEREAS**, 7<sup>th</sup> St SW located within the City Limits of the City and is critical for the City's growth and the transport of crops to local piling and elevator operations; and

**WHEREAS**, 7<sup>th</sup> St SW is connected to 10-ton design roads that lead to major thoroughfares such as Clay County 17, Parke Avenue, & CSAH 19 which leads to Minnesota trunk Highway 10; and

**WHEREAS**, the City of Glyndon is seeking approximately 1,650 feet of a 10-ton road be constructed at a location on 7<sup>th</sup> St SW approximately 550 feet west of the intersection of CSAH 19; and

**WHEREAS**, the proposed construction for the roadway is consistent with its existing use and classification; and

**WHEREAS**, the proposed construction of 7<sup>th</sup> St SW will provide a 10-ton designed roadway that is safe for all users, has a reliable state of repair, and offers a predictable connection consistent with the traffic it serves and connection it provides; and

**WHEREAS**, the City of Glyndon is committed to working with Clay County to have engineering plans for the construction of 7<sup>th</sup> St SW prepared; and

**WHEREAS**, The City of Glyndon is committed to working with Clay County to obtain additional right-of-way for the project area to provide safe in-slopes and maintain existing drainage patterns; and

**WHEREAS**, the Local Road Improvement Program (LRIP) administered by the Minnesota Department of Transportation makes funds available to apply towards projects on local roads that are regionally significant, result in safety improvements, and address transportation deficiencies; and

**WHEREAS**, the Local Road Improvement Program (LRIP) program requires a City, such as Glyndon, that is not a State Aid Township/City, to have a County sponsor and the support of the County Board; and

**WHEREAS**, the proposed year for said 7<sup>th</sup> St SW improvement project is 2025.

**NOW, THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF GLYNDON AS FOLLOWS:**

1. The City Council hereby supports the construction and extension of 7<sup>th</sup> St SW to a 10-ton gravel rural section roadway for the purposes of economic development and provide safe transportation for agricultural vehicles and provide another access to the school; and

1. The City Council hereby supports the City's pursuit of Local Road Improvement Program (LRIP) funding and authorize staff to prepare and submit such application; and
3. The City Council hereby seeks the support by resolution of Clay County to act as Sponsor for the City of Glyndon's Local Road Improvement Program funding application and the associated project development for the construction of 7<sup>th</sup> St SW, and furthermore the City Council hereby provides assurance that City of Glyndon will allocate all necessary funds to cover all City costs associated with the project and that are above and beyond the LRIP grant and potential additional funds to be provided by Clay County; and
4. City staff will ensure that all aspects of LRIP funding requirements are met, and the project's schedule is adhered to.

**ADOPTED BY THE TOWN CITY COUNCIL OF GLYNDON, MINNESOTA, THIS 21ST DAY OF NOVEMBER 2023.**

Dated: November 21, 2023

---

Tracy Tollefson, Mayor

ATTEST:

---

Wendy Affield, City Clerk/Treasurer

Clay County Board of Commissioners

RESOLUTION 2023-29

Motion by Commissioner Campbell      Seconded by Commissioner Mongeau

**RESOLUTION OF SUPPORT FROM SPONSORING AGENCY**

**WHEREAS:** Local Road Improvement Program (LRIP) funds are available for local agency projects meeting Routes of Regional Significance or Rural Road Safety criteria; and

**WHEREAS:** Non-state aid cities and townships must have a county sponsor to apply for LRIP funding; and

**WHEREAS:** City of Glyndon has requested that Clay County sponsor its application for the construction of a new segment of 7<sup>th</sup> St SW starting at the western boundary of the Dilworth-Glyndon-Felton School (DGF) west to CSAH 17; and

**WHEREAS:** City of Glyndon understands that it will be responsible for all costs not covered by LRIP funding including engineering and right of way costs and any construction costs over the funding cap; and

**WHEREAS:** The City of Glyndon will maintain the road for the lifetime of improvements.

**NOW, THEREFORE, BE IT RESOLVED:** that the County of Clay hereby agrees to act as sponsoring agency for the application for LRIP funding for the Construction of a new segment of 7<sup>th</sup> St SW starting at the western boundary of the Dilworth-Glyndon-Felton School (DGF) west to CSAH 17. Sponsorship includes the responsibility for seeing this project through to its completion, with compliance of all applicable laws, rules and regulations.

Adopted by the Clay County Board of Commissioners this 14th day of November 2023.

ATTEST:

  
\_\_\_\_\_  
Stephen Larson  
County Administrator

  
\_\_\_\_\_  
Frank Gross  
Chair of the Board of County Commissioners

**CERTIFICATION**

I hereby certify that the above is a true and correct copy of the Resolution duly passed, adopted and approved by the County Board of Commissioners of said County on the 14 day of November 2023.

  
\_\_\_\_\_  
Lori J. Johnson  
County Auditor

# Meet Your Supermodel.

We talked about your organization, assessed your needs, and found the choice make and model. We went full Goldilocks to provide a recommendation that's not too small, not too big, but just right in terms of price and performance.

Read about the specs and features OR talk to the person across from you to see why we recommend this model over others in our fleet. Quiz 'em. It's healthy to stay abreast of our full suite of offerings.

## Kyocera TASKalfa 3554ci-35/35 PPM A3 Color MFP

### DESCRIPTION

The Taskalfa 2554ci-3554ci is a series of color laser multifunction machines with the ability to print, copy, scan, and optional fax. It incorporates extremely durable components that guarantee efficient and reliable operation, to meet the demanding requirements of busy office environments. It features outstanding image quality due to advanced color technology, and productive finishing options including a space-saving inner finisher. The Kyocera HyPAS solution platform is standard.

Photo may not represent final configuration

### FEATURES

- Up to 25 ppm in monochrome or color
- Up to 4800 X 1200 dpi resolution ensures detailed and high-quality prints
- Easily manage tasks with the 10.1-inch touchscreen with intuitive user interface
- Standard interface: USB 3.0 (Super-Speed USB), 4 x USB Host Interface, Gigabit Ethernet (10BaseT/100BaseTX/1000BaseT, IPv6, IPv4, IPSec, 802.3az support)
- Standard duplexing for effortless two-sided prints
- Base model dimensions: 602W x 665D x 790H mm
- 1000 Sheet Finisher
- 320 Sheet DSDP with Multi-Feed sensor
- Attachment Kit for DF-7120 / DF-7140 / DF-7150
- Compact Surge Protector 120V/15A
- Dual 500 Sheet Paper Trays
- Fax Board
